

The following is a list of possible ways to complete your Earth Layers Project:

1. A **SONG/RAP**: discussing all 7 layers of the Earth in their correct order, a description of each layer and interesting facts/information.
2. A **POEM**: discussing all 7 layers of the Earth in their correct order, a description of each layer and interesting facts/information.
3. A **POWER POINT PRESENTATION**: discussing all 7 layers of the Earth in their correct order, a description of each layer and interesting facts/information.
4. A **3-D Model**: Draw, color and label all 7 layers of the earth in their correct order. Include a description and interesting information/facts about each layer.
5. A **SCIENTIFIC POSTER**: Pretend you work for a company that designs posters for Science Class. Create a poster that illustrates the Layers of the Earth. Make sure to include all 7 layers in their correct order, a description of each layer and interesting facts/information. Make sure the poster looks professional and full of color.
6. A **JOURNEY TO THE CENTER OF THE EARTH NARRATIVE or COMIC STRIP**: Pretend that you are about to embark on a journey to the center of the earth. Discuss in detail the type of clothing you will need to wear, the equipment to help you dig your way to the center of the earth. The 7 layers you will go through in their correct order, a brief description and important information/facts about each layer. Remember to be as creative as you can, but make sure to base all of your information on **FACTS!!** The narrative must be at least 2 pages typed, double-spaced using size 10-12 font.
7. A **BOOK COVER or MOVIE POSTER**: Pretend that either a book or a movie is being released based on the layers of the earth. Design a cover for this book or a poster for the movie illustrating the 7 layers of the earth in their correct order, a brief description about each layer and eye-catching pictures promoting the book or movie. Be creative!
8. A **TOUR GUIDE PAMPHLET**: Pretend you are giving tours through the layers of the earth. Create a pamphlet explaining what people will see and experience on your tour. Please include drawings of the Earth labeling the 7 layers in their correct order and a brief description of each layer and include interesting facts. Remember to include tour times and price of admission.
